Because of a medical condition, disability, or other special circumstances, some residents may need the Parks, Art, Culture, and Trees Committee to provide citizen volunteer assistance digging the hole and planting the tree in the ground. Please check the appropriate field:

No thanks, I will plant the tree myself.

Yes, I need volunteers to help me plant my tree because of special circumstances.

Sketch of property and approximate location of tree to be planted. Please show the approximate property lines, location of any structures (including garages or sheds), power lines, fences, and other property features which may impact the suitability of the proposed location. For an aerial photograph of your property, visit: <http://hamiltoncountyauditor.org>.
