WHEREAS: Under Article X, Section 8 of the Charter, the Village solicited competitive bids for solid waste services in April of 2014, receiving two bids by the due date of May 2, 2014.

WHEREAS: The Village Council passed a Resolution 17-752 on April 6, 2017 authorizing the Village Manager to enter into a one-year contract extension with Rumpke of Ohio, Inc. who, in Council's judgment, offered the best proposition for the municipality considering quality, service, adaptability to the requirements of the Village and price; and

WHEREAS: Sections 50.30 and 50.31 of the Municipal Code of Ordinances provide that the rate to be charged residential and business users for solid waste collection services shall be set by law and Section 50.34 of the Municipal Code of Ordinances provides that waste collection fees are "inseparably linked to water service fees;" and

WHEREAS: The Village of Silverton desires to set forth the rates for solid waste collections to charge residents and businesses to cover the costs of contracting for such services, including but not limited to, collecting solid waste, picking up brush for residents, and charging and collecting the same fees through the Greater Cincinnati Water Works.

NOW THEREFORE, BE IT ORDAINED BY THE COUNCIL OF THE VILLAGE OF SILVERTON, OHIO, THAT:

- SECTION I.** The Village Manager is hereby authorized to take means necessary to collect fees for service for the collection of charges for solid waste set forth herein.
- SECTION II.** The rate to be charged to each of the residential users and business users of the waste removal services covered by the Silverton Contract with Rumpke of Ohio, Inc. shall be set according to the scheduled attached hereto and made part hereof as Exhibit A.
- SECTION III.** The rates charged for the year July 1, 2017 through June 30, 2018 in Exhibit A shall continue indefinitely beyond June 30, 2018 unless otherwise repealed or amended by Village Council.
- SECTION IV.** Any prior measure setting forth rates which are in conflict with the rates for solid waste services in Exhibit A shall be null and void and the rates in Exhibit A shall govern.
- SECTION V.** This Ordinance is hereby declared to be an emergency measure necessary for the immediate preservation of the public peace, health, safety, and welfare of the citizens of the Village of Silverton and shall take effect and be in force from and immediately after its passage and approval; the reason for the emergency being the immediate need for the Village to charge residential and business users the appropriate rate for solid waste collection services as provided under the contract extension with Rumpke, effective July 1, 2017.
